

Web Accessibility Statement

At LensCrafters we strive to achieve an exceptional experience for all customers and are committed to accessibility. We want all customers to be able to shop online and access our products.

Efforts to support accessibility

LensCrafters strives to conform with WCAG Guidelines to support accessibility and has taken the following measures to ensure accessibility, including but are not limited to:

- Appointment of an Accessibility Specialist;
- Accessibility training;
- Clear accessibility targets and responsibilities; and
- Automated and manual testing.

Help

For accessibility support, please contact us at 1-855-LX-ACCESS (1-855-592-2237).

Feedback & Concerns

We welcome feedback and strive to continuously improve our customers' experience and accessibility.

For feedback or concerns, please contact us at webaccessibility@essilorluxottica.com.
